

Brothers of the Southeastern Province,

The message is being sent on behalf of Jabbar Stackston (Director of Conference Services). Please share this information with the brother(s) who will register your chapter for the Southeastern Province Council.

The online registration system for the 2026 Southeastern Province Council celebrating the Centennial of the Southeastern Province is now open. The 2026 Southeastern Province Council will be hosted by the Greenville (SC) Alumni, Kappa Lambda (Clemson University), and Xi Omega (Furman University) chapters. The Province Planning and host chapters are working very hard to ensure that all Brothers and attending family have a good time. Additionally, a host of activities are being planned by the silhouettes.

The following information outlines steps to take to register for this momentous occasion. Information about the schedule and other key information will be released later. All Chapters are reminded to support the host chapters by purchasing an ad in the souvenir book as well as the other activities that the Province and Host chapters are assembling. More information to come soon.

Time & Place

March 26th – 29th, 2026

Greenville, SC

Hotel reservations: Upon registering for Province Council, the hotel booking link will be sent along with the registration confirmation. The rate is \$179 plus tax and parking. **The rate is available until Mar 4th** or until the room block is sold out. **Thus, registering as soon as possible is important.** Note: Chapters may need to keep in mind and account for rooms for those Spring 2026 new initiates as the room block expires before MTA concludes.
